Thailand Points of Interest.

Thai Calendar,

The Thai Buddhist Calendar is 543 years ahead of our own Gregorian Calendar, which makes you very old indeed when you visit Thailand. 2016 therefore equates to the year 2559 in Thailand

Current Population of Thailand,

As of July, 2019 the population of Thailand was **70,000,000**, with a land area of **513,120** square klms, Approximately 136.5 Persons per Square klm. Australia, in comparison has a population of approximately **25,116,000** and a land area of **7,692,024** square klms. Approximately 3.27 Persons per Square Klm, so you could fit nearly 15 Thailands into Australia.
